

Curriculum Vitae

Dr. Gábor Tóth

Born 12-05-1954 Szentes, Hungary

Nationality Hungarian

Children Bálint 05-11-1986
Rebeka 20-06-1988

Education and degrees

M.Sc. Organic chemistry, József Attila University, Szeged, 1977

Ph.D. Organic chemistry (thesis: Synthesis of vasopressin analogues for radioactive labelling)
József Attila University, Szeged, 1980

C.Sc. Organic chemistry (thesis: New methods for the synthesis of biologically active peptides)
Albert Szent-Györgyi Medical University, Szeged, 1990

Dr. habil. Albert Szent-Györgyi Medical University, Szeged, 1997

D.Sc. Chemical sciences (thesis: Synthesis of modified peptides) Hungarian Academy of Sciences,
Budapest, 2001

Professional employment and experience

1977-1980 Ph.D. student at the Department of Medical Chemistry, Szeged University Medical School

1980-1982 lecturer at the Department of Medical Chemistry, Szeged University Medical School

1982- Postdoctoral Fellow at the Max Planck Institut für Biophysik Frankfurt a.M. Germany

1983-1988 lecturer at the Department of Medical Chemistry, Szeged University Medical School

1988-1989 Senior Research Associate Department of Pharmaceutical Chemistry,
The School of Pharmacy, University of London U.K.

1989-1990 lecturer at the Department of Medical Chemistry, Albert Szent-Györgyi University

1990-1993 senior lecturer at the Department of Medical Chemistry, Albert Szent-Györgyi University

1993-2002 reader at the Department of Medical Chemistry, Albert Szent-Györgyi University
(from 2000 University of Szeged)

2002-2005 professor at the Department of Medical Chemistry, University of Szeged
2006-2008 head of department at the Department of Organic Chemistry, University of Szeged
2005-present head of department at the Department of Medical Chemistry, University of Szeged
2012-present vice-dean of the Medical Faculty
2016-present head of the Supramolecular and Nanostructured Materials Research Group of the Hungarian Academy of Sciences

Awards

Award of the **Lajos Kisfaludy Foundation** Budapest 1996

Széchenyi professorship Budapest, 1998

Publication 282 research publications, 632.058 cumulative impact factor
Citations 2635 independent
Patents 14 patents
Lectures Over 200 conference and seminar lectures in different countries.
Hirsch index 33

Memberships of Scientific Committees and Societies

President member of the Committee of Peptide Chemistry of the Hungarian Academy of Sciences
Member of the American Peptide Society
Member of the American Chemical Society
Member of European Peptide Society
Member of the Organic and Biomolecular Committee of the Hungarian Academy of Sciences
Member of the Organic Chemistry Committee of the Csongrád County Division of the Hungarian Academy of Sciences
Member of the Council of Science and Engineering, National Research, Development and Innovation Office
Member of the 7th Council of the János Bolyai research fellowship

25/01/2017
